We are happy to announce that we have had some new opportunities arise this year would love to share our news with you. We've been a little quiet over the late summer and fall months, but that's because we have been very busy behind the scenes. We have recorded a CD that we cannot wait to share with you!

In other news from 2018, we were honored to sing with Tommy Tune for the Hello Again Dolly Festival back in June. Check out this link: [festival scrapbook](#)

What's next for 2019? You can catch us performing a concert of poetry at the first annual [Sleepy Hollow Literary Festival](#) in May of 2019.
